blamed for the death of Jesus. The official document, two years in preparation, may well be voted on by the Church's supreme legislative body before its present session ends Dec. 4th . . . America should be proud that the Catholic Bishops from the United States are enthusiastic over the declaration This was the intent of the late Pope John XXIII when he ordered the phrase 'perfidious Jew' stricken from a religious text. It is a similar intent of Pope Paul VI."

It is significant that the National Council of Churches and its affiliate The World Council of Churches, whose platforms parallel that of the Communist Party, aided the Jew-Negro March on Washington, D. C. on August 28, 1963, and saw to it that JFK invite 240 of the clergy to pressure Congress to waste no time in passing THE CIVIL RIGHTS BILL; also that JFK refused to see some 200 Conservative church leaders who opposed the bill, and that he was scheduled to address the Council in Philadelphia in the beginning of December.

This compilation of factual suggestions pointing to the role of the discernment of spirits, might well be closed by quoting from a sermon of Father Faber delivered on the Feast of Pentecost in the London Oratory in 1861—over a hundred years ago:

"We must remember that if all the manifestly good men were on one side and all the manifestly bad men on the other, there would be no danger of any one, least of all the elect, being deceived by lying wonders. It is the good men—good once, we must hope good still—who are to do the work of Anti-christ and so sadly to crucify the Lord afresh. . . . Bear in mind the feature of the last days, that this deceitfulness arises FROM GOOD MEN BEING ON THE WRONG SIDE."

In St. Luke ch. 18 Our Lord expresses wonderment: "I wonder if there will be any faith left when I return." Quite recently Bishop Coleman Francis Carroll, who appears determined to follow the NAACP communist line, said that the Church will never be the same.

Lucifer, through his Sons, is now pressing the Bishop of Rome for modernization, with all the accompanying evils this implies. Can it be that we are on the road to "the Great Apostasy" foretold by St. Paul? A shockingly sobering thought!

CATHOLIC EDUCATION INFILTRATED

The National Conference of Christians and Jews furnishes much of the anti-Christian and subversive trash that is flooding Catholic institutions and perverting Catholic teachers today.

In a widely distributed booklet which they publish appears the following:

SUGGESTED OUTLINE for a Study of Intergroup Relations to be used by Teachers belonging to Religious Orders

Prepared under the direction of
The Rt. Rev. Msgr. Timothy F. O'Leary

Superintendent of Schools,

Archdiocese of Boston

by

Sister Marie Augusta, S.N.D.,
Emmanuel College, Boston, Mass.

Sister Jeanne D'Arc, C.S.J.,

(A) A workshop in intergroup relations for religious teachers will have many points in common with workshops for lay people; however, the purpose of religious orders and the necessary restrictions of religious rules will make certain variations necessary.

1. Since religious orders work among the laity in order to help all members of society attain eternal salvation their fundamental purpose is completely interrelated with good

intergroup relations; therefore, their workshop needs will probably center around these questions:

- Am I aware of the intercultural and inter-religious problems influencing the children I am now teaching?
- Are my teaching practices consonant with the truths and moral training which I am trying to inculcate on my pupils?
- What are the factors in social interaction that make difficult for students to live the principles and practices of their religion?
- Have sociology and psychology discovered any general principles in their respective fields which will help me?

Among the sources listed, from which Catholic teachers are advised to seek help, are:

American Friends Service Committee
Anti-Defamation League of B'nai B'rith
American Jewish Committee
National Association for the Advancement of Colored People
Urban League
National Education Association

Among other so-called authorities cited in this booklet is the socialist Gunnar Myrdal, whose AN AMERICAN DILEMMA was used as the basis for the Supreme Court's Desegregation decision of 1954. It is interesting to note that the compilers and co-authors of this book (American Dilemma) belong to some 63 communist and communist front organizations. These men contributed 272 distinct articles and portions of the book officially adopted by the Communist Party and the Supreme Court as the highest authority on "race problems."

FACTS ABOUT THE AMERICAN JEWISH COMMITTEE

A STATEMENT OF PROGRAM & POLICY

A 36 page booklet entitled FACTS ABOUT THE AMERICAN JEWISH COMMITTEE (published by A.J.C., 386 Fourth Ave., New York, N.Y.) clearly reveals who is behind the infiltration of churches of all denominations. One of their stated goals is the control of U. S. churches by seeing that "Christian teachings" are "altered" by helping in the preparation of lesson materials for Sunday schools, etc. Another is the control of the thinking (brain-washing) of the American people and "the method of modifying their thoughts." Read carefully page 23 of this booklet which is here quoted:

"Under the auspices of Drew Theological Seminary, we have conducted an exhaustive study of religious textbooks currently used in Protestant schools. Errors, misstatements and misconceptions of the historic role of the Jews in the earliest days of Christianity have been and will continue to be tabulated and brought to the attention of Protestant educators and textbook publishers. As a result of new insights gained through these efforts, there has been steady and significant progress in the elimination of such material. Similar work on a more limited scale is being carried on with respect to Catholic Sunday and parochial school materials.

"Catholic school authorities in New York have recently completed for publication a Syllabus on Intercultural Education. The Syllabus was experimentally developed in the parochial classes of greater New York, and may be adopted in other dioceses. AJC staff acted in a consultative capacity in this project.

"Close cooperation is maintained with the Department of Education of the National Catholic Welfare in Washington, D. C. Educational material was made available to that organization for use in more than 150 Catholic high schools throughout the country.

"A teacher unit on the history of Jews in America, to be utilized in connection with teacher training in the Catholic University of America, has been completed with the cooperation of AJC.

"Progress has been made in the introduction of competent instruction in Jewish theology, ethics, history and contemporary Jewish affairs into the curricula of Christian theological seminaries and teacher training institutes. We have made it possible for Christian theological students to receive instruction in Jewish theological seminaries through provision of several graduate fellowships for such purposes.

"We supply Christian religious publications with prepared materials, articles, and stories, depicting Jewish life, Jewish spiritual heritage and Jewish religious values as well as articles on current issues which particularly affect American Jews.

"Through the newly created Division of Christian Education of the National Council of Churches, the AJC and ADL will jointly have an unprecedented opportunity to aid in the preparation of lesson materials, study guides, audiovisual aides, etc. for use in educational activities sponsored by the Protestant churches and organizations.

"An analysis of films depicting the Crucifixion Story, used in religious educational activities, was completed during 1950 and the results were made available to community councils through the National Community Relations Advisory Council. Steps are now being taken in cooperation with leading educators and film producers to modify those films believed to affect adversely Jewish-Christian relationship."

"The Jewish religion is hostile to Christianity in general and to the CATHOLIC CHURCH in particular."

—M. J. Olgin, "The Morning Freiheit"
N. Y. daily, Jan. 10, 1937
(Jewish newspaper)

"To Christians of all demoninations, Jesus is the symbol of all that is pure, sacred, and holy. To Jews from the 4th century, JESUS BECAME the symbol of ANTI-SEMITISM, OF LIBEL, OF CRUELTY, OF VIOLENT DEATH."

—Joseph Dunner, Zionist Jew,
in the "Republic of Israel,"
page 10, Oct. 1950.
